NWT Mint has gone out of business. I did locate your medallions that we are holding on the shelf. Looking at your previous orders, we usually engrave and silver plate them. Unfortunately, with the closure of the plant we will not be able to get the medallions silver plated. If you can provide me with a shipping account number, I can put all the medallions in poly bags and ship them to you.

My recommendation would be for you to work with Medalcraft Mint, 800-558-6348, they will be able to engrave and finish the medals.

Let me know how you would like to move forward.

NWT Mint is holding Fred Haskins Award Medallions for us since you engrave 2 of them per year. I think you should have 6-10 medallions in your warehouse. I am hoping you can ship 2 medallions to our local trophy shop so that they can be added to our new Haskins Trophy bases.

Can you also confirm the number of medallions you are in possession of ?

Please ship the two unengraved medallions to:

Brian – I will pull the pieces and have them shipped out to you today. I will email you the tracking number.

Medalcraft Mint will be purchasing the customer files and dies for reproduction. When you are ready to reorder you can reach out to them, 800-558-6348. They will have access to your original die.

If you would like your die returned, you will have to work with the trustee Mark Calvert (mark@cascapecapitalgroup.com).
